Re: **NSWMA – Arizona Chapter Meeting, March 1, 2012 - 4:00 p.m.**

Dear Chapter Members & Non-Members:

Please mark your calendar and try to join us for our March 1st NSWMA Arizona Chapter meeting. Our next meeting will be held at the offices of:

Action Container Services

4020 South 15th Avenue
Phoenix, Arizona 85041.

ACS has been kind enough to provide us food, beverage for the social hour and a place to hold our business meeting which will commence at 4:00 p.m.

This meeting will be open to current members and prospective members. Please feel free to bring any industry friends that would benefit from NSWMA membership.

Many of you responded to the questionnaire sent out last month on how we can improve our effectiveness as a chapter and provide greater value to our members. Those responses, along with other important legislative discussions, will be the topics of discussion at this meeting. The state legislature is in session and many bills affecting the solid waste industry have already been introduced. Joe Abate will be on hand to provide an overview and take our comments back to the capital. ***This is your chance to voice your opinion and make a difference.***

Please contact either myself or Jewel if you have any questions or need any additional information about the Chapter or the upcoming meeting.

We hope to see you all on March 1st.
